

ARC Climbing Policies

Please do not come to the gym if you, or anyone in your household, are exhibiting any symptoms of COVID-19 (cough, cold, fever, etc. – [Full list of symptoms](#)), if you have been out of the country in the past 14 days, if you have been directed to self-isolate by a health authority, if you have been in close contact with anyone who has tested positive for Covid-19 in the last 14 days.

Climbing gym capacity is limited to 30 climbers to allow physical distancing. You can check our current attendance by downloading the following app and selecting ARC Climbing + Yoga.

[Android](#)
[iPhone](#)

The app is new and we're working on it, so please feel free to call ahead. Access will be first come first serve.

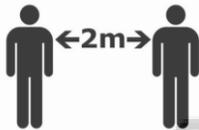

Please wash your hands or use our complimentary hand sanitizer upon arrival. Use your scan key or give your name to the person at the front desk, then proceed to the climbing area. Hand sanitizer will be available for use throughout the reception area and the gym.

The climbing wall cannot effectively be sanitized. Your protection from this is good hygiene practices, by frequently hand washing, or hand sanitizing, and not touching your face.

Also, don't bite the rope when you're lead climbing.

Please maintain physical distance between those not in your social bubble. Maintain a minimum physical distance of 2 meters from other individuals. Please stand on designated floor markings when lining up to sign in.

We require that you wear a face covering upon arrival. Masks can be removed when climbing and belaying, but should be donned again when just socializing.

While we love you, please leave when you're done climbing so others can come. Please checkout when leaving by communication with the front desk staff.

Thank you for doing your part to keep our community healthy!
